

Application Form for Community Funding

St. Canice's Credit Union is a community based co-operative that exists only for the good of the people of Kilkenny, Laois and Tipperary.

As well as contributing to the financial health of our members through savings and loans, the Credit Union is also involved in a huge range of community organisations and events. We have a longstanding reputation for being actively involved in the community we serve and are uniquely positioned to support community development through investing in community projects.

Our members have created a special fund of €200,000, the purpose of which is to allow the Credit Union to make a significant contribution to community based initiatives within the common bond of Ballingarry, Ballyragget, Callan, Dunnamaggin, Durrow, Graignamanagh, Kilkenny, Mountrath and Rathdowney.

The Community Connect Fund application categories are: social, cultural and charitable purposes including community development. The Community Connect fund compliments our other community sponsorship initiatives and is aimed at significant projects that will add long term benefit to the community.

Such projects must have an overall budget of at least €30,000 and must be located within our common bond and should reflect the ethos and values of St. Canice's CU and the Credit Union movement.

Where borrowing facilities are required from eligible projects, St Canice's CU would like to be considered as a lending option by community groups.
