

ST. CANICE'S CREDIT UNION continues to be the largest community credit union in the country providing vital support to thousands of people across 9 branches in Carlow, Kilkenny & Laois for nearly 60 years.

With 70,000 members, a loan book of close to €100 million and a diverse loan products range including personal lending, mortgages, business, Agri lending & a one stop shop for enabling Greener Homes. St. Canice's Credit Union has an ambitious strategic plan to significantly develop and grow its lending and currently has 3 exciting roles to fill.

While maintaining their strong community service roots and having real people to talk to in branch and on the phone, the credit union has invested in developing its online and automated services to cater for the next generation of credit union members. People can apply and upload documents from the comfort and safety of home and have their loan paid out in 15 minutes, this combined with a full service current account and debit card which have cheaper fees than the main pillar banks, makes St. Canice's Credit Union the financial service provider of choice.

Their loan rates consistently remain some of the most competitive on the market, both for small and

larger personal loans up to €75,000. This year saw the introduction of low fixed rate mortgages for members available up to €350,000, which has helped hundreds of people finally make their dream home a reality. With the departure of ATMs from rural communities, St. Canice's CU has worked with providers to reintroduce ATMs in Durrow and a new one will be up and running at their branch in Callan by the end of the month.

As the time approaches for Leaving Cert results to be revealed, all 3rd level students in or entering a Dept. of Education approved course of 2 years or more, are reminded to enter the free scholarship draw which the credit union runs. There are 5 gifts of €3,000 to be given away to students. That is €15,000 going directly back to support members. Entry is free and can be done online or in any of their 9 branches.

St. Canice's Credit Union received over 100 applications for its Community Connect Fund and will be awarding various community groups and worthy causes funding in the coming weeks. What this means is that €250,000 will go back into the local communities that the credit union continues to strongly serve, improving life and facilities in the communities they operate in.

So ask yourself...

Can I get all I need & more for my personal banking from St. Canice's Credit Union?

The answer is...

YES, I CAN with St. Canice's Credit Union. Whether that is all online, face to face or over the phone. They are here for you whatever way you would like to do business with them.

Lending to, Saving with, Investing for & Serving best our members since 1964.

You're in good hands with St. Canice's Credit Union.

Join the expanding St. Canice's Credit Union team

Head of Lending

This is a dynamic, strategic role, which reports to the CEO and is a key part of the senior management team.

- ◆ The person is responsible for Personal, House and Business lending for the credit union.
- ◆ This person will lead the development and implementation of the growth strategy and delivery of income targets.
- ◆ You must have strong team leadership, credit analysis & underwriting experience with a minimum of 6 years' experience in a financial services organisation.
- ◆ This is a senior role and salary reflects the role and candidate experience required.

Risk Analyst

The expanding risk management function within St. Canice's means that we have an exciting new opportunity for a permanent, full time Risk Analyst reporting to the Head of Risk & Compliance.

- ◆ The candidate must have experience working the risk function in the financial services industry.
- ◆ The person must have a high level of accuracy and attention to detail and hold qualifications relevant to the role with a commitment to complete further studies appropriate to the needs of the position.

Mortgage Officer

The successful introduction of our new low fixed rate mortgages means that we are growing our lending team and want to add a full time, permanent mortgage officer to our home loans team.

- ◆ You will work closely with borrowers to guide them through their house purchase journey.
- ◆ You must have APA qualification in loans & have or be working towards QFA qualification with a full understanding and experience of the mortgage lending market.
- ◆ A strong member/customer focus is essential for this role.

Closing date for all 3 roles is Wednesday 7th September at 5pm.
